

A3 Document Cabinet with Drop Down Shelf

This lockable wall mounted cabinet has been designed to provide a simple document storage solution with an integrated drop down shelf. The concept is that the shelf can be used as a writing desk so is ideal in areas where routine checks are required combined with safe document storage. The cabinet has been designed for wall mounting and is already a popular addition to boiler rooms, service areas, classrooms alike. The standard units are fully welded and come with an RAL7004 grey powder coat finish. A lockable quarter turn wing handle is provided on the hinged door.

Closed cabinet
